F.No.-AICTE./P&AP/Happiness Index/June/2022/

Date: July 11, 2022

National Happiness Rankings Awards

AICTE had launched a "Happiness App" in association with YOL. Many institutes had recommended its use to their students and based on the happiness of number of users of the institute, AICTE had announced Happiness Rankings of the Institute.

Those who have still not downloaded the app may do so by registering on www.yol.one and follow AICTE notifications provided there. This is also specified in the Approval Process Handbook 22-23.

You are aware that the happiness rankings of all the colleges are being announced on 15th July 2022 at AICTE Auditorium.

Institutions that comply with the requirements shall be invited and felicitated at AICTE Headquarters, New Delhi on the 15th July 2022.

For any further information, please contact: yogi@yol.one or +919958585370

Regards

(Dr. Anil Kumar Sharma)
Assistant Director, P&AP Bureau

Dear Student,

ACADEMIC SCORE + EQ +IQ = EMPLOYABILITY

As the new session is about to start, we are pleased to share with you the following:

This institution is looking forward to provide you with a happy environment in your years ahead with us and onwards in your life.

We have registered ourselves with AICTE for a program and competition to be rated on our happiness index.

Happiness is not the result or outcome or destination. It is a journey. This exhibits a balance between your Emotional quotient (EQ) + Intelligence Quotient (IQ). Both these two parameters have become very important from the point of employment. Employers in addition to your grades will be looking at your EQ and IQ scores.

Keeping that in mind, a happiness app titled: YOL – YourOneLife has been introduced. This sharpens your EQ and IQ and helps you build a strong scorecard in addition to your grades at the institution.

You may download the app from Google or iOS playstores. Pl select yourself as an **institutional user** and next select the name of this institution from the drop down list. The APP logo is:

PS: The app is currently in beta stage and is being updated each week. Enjoy the journey as the app evolves

Following are the three significant opportunities for each student:

1. Students using the app will be eligible to earn one academic credit per semester.
2. Students will have an opportunity to earn NFTs on the app. Students can redeem these NFTs after 6 months for various goodies, vouchers and even trade them for value.
3. The campus will also have a **Campus Happiness AMbassador Program(CHAMP)** as per which all of you will be eligible to earn a CHAMP certification if your happiness index on the app remains consistently above 70%.

We look forward to a happy and fulfilling life in the campus.

Thank you
Director/ Principal
