Industrial Clusters Technical Institute/ Resource Institute MOU

MOU Signed Between Konkan Maritime Cluster (SPV), Goa

And

Institute of Shipbuilding Technology, Goa.

This MOU is signed at Goa on the 30th Day Of September, 2020 between, Chairman & Managing Director Of Konkan Maritime Cluster (CIN:U74999GA2018NPL013724), herein after called as SPV of MSE- CDP program of The Ministry Of Micro, Small And Medium Enterprises, New Delhi, Government Of India and promoted by Directorate of Industries, Trade 7 Commerce, Government Of Goa And 1)The Principal on the behalf of Institute of ShipbuildingTechnology, Goa having registration no. I-453047441.

Whereas The Government Of India has introduced a scheme named — "Micro & Small Enterprises — Cluster Development Programme (MSE-CDP)" with the objective of Capacity Building of Micro And Small Enterprises (Including small scale services and business entities which is promoted through active Intervention of Government of Goa). And whereas the SPV has been created and constituted as a company, inter alia, to create, establish, run and maintain a Common Facility Center (CFC) for the use and benefit of its members and of other units engaged for coming up in the same industry, trade or vocation. The said cluster relates to Shipbuilding located at Goa and whereas for technical collaboration/technical inputs / technical assistance cum guidance/ Technical Studies as per SPV's requirement, for binding the parties to their respective obligations and to ensure a mutually beneficial relationship on long term both the parties are desirous of entering into MQU.

Now This MOU Witness As Follows:

- Institute of Shipbuilding Technology, Goa and SPV will each nominate a nodal officer for effective interaction.
- Institute of ShipbuildingTechnology, Goa, and SPV will work together to identify and find ways and solution to address issues and problems of technical, management & financial nature.
- 3) Institute of Shipbuilding Technology, Goa, the resource institute will provide SPV with their inputs on technical process, technological up gradation, new technology adoption, product R&D, field surveys, IT based services and shall also provide advice on continuous improvements in the process involved.

GOA

- Institute of Shipbuilding Technology, Goa, and SPV will provide relevant technical manpower, including faculty and students, to identify and address issues and problems.
- The SPV shall not claim any ownership of the study research and solutions suggested/ Invented by Institute of Shipbuilding Technology, Goa.
- 6) Institute of Shipbuilding Technology, Goamay, as per mutual MOU with SPV, charge the SPV for their interventional efforts and in addition to this, shall also be entitled to the benefits under the scheme run by the government.
- 7) Institute of Shipbuilding Technology, Goa, will be free to assign the task of study / research to their faculty, students as a part of their academic project / research work.
- The SPV will freely allow entry of students and faculty from Institute of Shipbuilding Technology, Goa, to the CFC as well as other units in the cluster.
- 9) The facilities at the CFC will be made available to the students and faculty.
- 10) A joint committee comprising of nodal officers and general manager, Directorate of Industries, Trade & Commerce willmonitor the working of the programme.
- 11) This MOU can be terminated with mutual consent of the parties involved. Any clause/s of this MOU can be revised and deleted with mutual consent. The claim on the research work, suggestions till the date of termination on MOU shall be with Institute of Shipbuilding Technology, Goa. In case of any dispute related to any part of this MOU, any issue arising out of the arrangement stated in this MOU, the same shall be referred to sole arbitrator to be appointed by mutual consent of both the parties.

MEMORANDUM OF UNDERSTANDING

Signed Between

Chowgule and Company Private Limited, Shipbuilding Division, Goa

And

Institute of Shipbuilding Technology, Goa.

This MEMORANDUM OF UNDERSTANDING is entered into on the 24th of February, 2020 between Institute of Shipbuilding Technology, Goa (hereinafter 'ISBT, Goa') located at Bogda, Vasco Goa and (Chowgule and Company Private Limited, Shipbuilding Division) (hereinafter 'Chowgule and Company Private Limited, Shipbuilding Division, Goa') located at near Borim Bridge, Loutlim - 403 718, Goa - India.

WHEREAS Chowgule and Company Private Limited, Shipbuilding Division, Goa and LS.B.T. Goa wish to work together to provide training opportunities for human resource development and encourage quality in learning so that the community of students and the organization they serve may make the most meaningful contribution to the society through the maximization of their potentials and achievements;

NOW THEREFORETHIS MEMORANDUM OF. UNDERSTANDING WITNESSETH AS FOLLOWS 6.

1. OBJECTIVES:

Chowgule and Company Private Limited, Shipbuilding Division, Goa and I.S.B.T. Goa agree that they shall work together to:

- 1) Improve the quality and relevancy of training to the workplace. The budding passing out students from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- Foster a lifelong learning attitude in faculty, students, and industry personnel.
- Discover new skills development techniques, develop short and long-term training strategies and recommend solutions to the training requirements. Chowgule and Company Private Limited, Shipbuilding Division, Goa will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- Effectively link education and the world of work.

- 5) Enhance the social, economic and cultural development of the community; and,
- Provide opportunities for the parties to meet their shared social responsibilities towards education.

2. TERMS OF MEMORANDUM OF UNDERSTANDING

- I.S.B.T. Goa has nominated Dr. Vinod Bhagat as a nodal officer and Chowgule and Company Private Limited, Shipbuilding Division, Goa has agreed to nominated Mr. Hemant Kadkade as a nodal officer.
- 2) Identify area of student internship/Industrial Training/Inplant Training & Industry based project. Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Chowgule and Company Private Limited, Shipbuilding Division, Goa to permit the Faculty and Students of the ISBT,Goa to visit its group companies and also involve in Industrial Training Programs for the ISBT,Goa. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. ISBT, Goa will provide its Labs / Workshops / Industrial Sites for the hands-on training of the personnel from Chowgule and Company Private Limited, Shipbuilding Division, Goa.
- 3) Identify & organize Expert/Guest lectures, field visits & workshop/seminars.
- 4) ISBT, Goa the resource institute will provide Chowgule and Company Private Limited, Shipbuilding Division, Goa with their inputs on technical process, technological upgradation, new technology adoption, product R&D, field surveys, IT based services and shall also provide advice on continuous improvements in the process involved.
- The Chowgule and Company Private Limited, Shipbuilding Division, Goa will freely allow entry of students and faculty from ISBT, Goa to the Shipyards.
- 6) To identify and or provide different job opportunities for the students, conduct of campus interviews, apprentice training etc. Chowgule and Company Private Limited, Shipbuilding Division, Goa will actively engage to help the delivery of the Internship and placement of students of the ISBT, Goa into internships/jobs, if vacancies are available.
- Research and Development: Both Parties have agreed to identify and co-ordinate joint research activities and consultancy in the fields of Maritime Industry.
- 8) ISBT, Goa and Chowgule and Company Private Limited, Shipbuilding Division, Goa will work together to identify and find ways and solution to address issues and problems of technical, management & financial nature.
- 9) ISBT, Goa and Chowgule and Company Private Limited, Shipbuilding Division, Goa will assist in providing relevant technical manpower, including faculty and students, to identify and address issues and problems.
- 10) ISBT, Goa will be free to assign the task of study / research to their faculty, students as a part of their academic project / research work.

3. COSTS

ISBT, Goa and Chowgule and Company Private Limited, Shipbuilding Division, Goa agree that all costs associated with specific training initiatives will be the subject matter of separate contracts (Stipend, Board of Apprenticeship Training (Western Region), Mumbai.) Neither party to this MOU shall assume any responsibility for any costs by virtue of its execution of this MOU.

4. INTELLECTUAL PROPERTY

Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party. Chowgule and Company Private Limited, Shipbuilding Division, Goa shall not claim any ownership of the study research and solutions suggested/Invented by ISBT, Goa.

5. VALIDITY

- This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Chowgule and Company Private Limited, Shipbuilding Division, Goa, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of ISBT, Goa or Chowgule and Company Private Limited, Shipbuilding Division, Goa, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

WITNESS WHEREOF the parties hereto have caused this MOU to be executed.

Signed Between

Nirmon Design Engineering & Management Services LLP, Goa

And

Institute of Shipbuilding Technology, Goa.

This MEMORANDUM OF UNDERSTANDING is entered into on the 28th September 2021 between Institute of Shipbuilding Technology, Goa (hereinafter ' ISBT, Goa') located at Bogda, Vasco Goa and (Nirmon Design Engineering & Management Services LLP) (hereinafter 'Nirmon Design Engineering & Management Services LLP. Goa') located at B1 – 7th Floor, Silvio Heights, St. Inez, Panaji, Goa.

WHEREAS Nirmon Design Engineering & Management Services LLP, Goa and 1.S.B.T. Goa wish to work together to provide training opportunities for human resource development and encourage quality in learning so that the community of students and the organization they serve may make the most meaningful contribution to the society through the maximization of their potentials and achievements;

NOW THEREFORE THIS MEMORANDUM OF UNDERSTANDING WITNESSETH AS FOLLOWS

1. OBJECTIVES:

Nirmon Design Engineering & Management Services LLP, Goa and I.S.B.T. Goa agree that they shall work together to:

- 1) Improve the quality and relevancy of training to the workplace. The budding passing out students from the institutions could play a key role in technological upgradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2) Foster a lifelong learning attitude in faculty, students, and industry personnel.
- 3) Discover new skills development techniques, develop short and long-term training strategies and recommend solutions to the training requirements. Nirmon Design Engineering & Management Services LLP, Goa will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 4) Effectively link education and the world of work.
- 5) Enhance the social, economic and cultural development of the community; and,
- 6) Provide opportunities for the parties to meet their shared social responsibilities towards education.

2. TERMS OF MEMORANDUM OF UNDERSTANDING

- Institute of Shipbuilding Technology, Goa and Nirmon Design Engineering & Management Services LLP, Goa will each nominate a nodal officer (Mr. Naresh Naik) for effective interaction.
- 2) Identify area of student internship/Industrial Training/In plant Training & Industry based project. Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Nirmon Design Engineering & Management Services LLP, Goa to permit the Faculty and Students of the ISBT, Goa to visit its group companies and also involved in Industrial Training programs for the ISBT, Goa. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. ISBT, Goa will provide its Labs / Workshops / Industrial Sites for the hands-on training of the personnel from Nirmon Design Engineering & Management Services LLP, Goa.
- 3) Identify & organize Expert/Guest lectures & workshop/seminars.
- 4) Identify & facilitate short term courses for faculty, certification courses for Industry professionals & use of institute for continuing education.

- 5) ISBT, Goa the resource institute will provide Nirmon Design Engineering & Management Services LLP, Goa with their inputs on technical process, technological upgradation, new technology adoption, product R&D, field surveys, IT based services and shall also provide advice on continuous improvements in the process involved.
- 6) The Nirmon Design Engineering & Management Services LLP, Goa will freely allow entry of students and faculty from ISBT, Goa to the Design Office.
- 7) To identify and provide different job opportunities for the students, conduct of campus interviews, apprentice training etc. Nirmon Design Engineering & Management Services LLP, Goa will actively engage to help the delivery of the Internship and placement of students of the ISBT, Goa into internships/jobs.
- 8) Research and Development: Both Parties have agreed to identify and co-ordinate joint research activities and consultancy in the fields of Maritime Industry.
- 9) ISBT, Goa and Nirmon Design Engineering & Management Services LLP, Goa will work together to identify and find ways and solution to address issues and problems of technical, management & financial nature.
- 10) ISBT, Goa and Nirmon Design Engineering & Management Services LLP, Goa will assist in providing relevant technical manpower, including faculty and students, to identify and address issues and problems.
- 11) ISBT, Goa will be free to assign the task of study / research to their faculty, students as a part of their academic project / research work.

3. COSTS

ISBT, Goa and Nirmon Design Engineering & Management Services LLP, Goa agree that all costs associated with specific training initiatives will be the subject matter of separate contracts. Neither party to this MOU shall assume any responsibility for any costs by virtue of its execution of this MOU.

4. INTELLECTUAL PROPERTY

Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party. Nirmon Design Engineering & Management Services LLP, Goa shall not claim any ownership of the study research and solutions suggested/ Invented by ISBT, Goa.

5. VALIDITY

- 1) This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Nirmon Design Engineering & Management Services LLP, Goa, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of ISBT, Goa or Nirmon Design Engineering & Management Services LLP, Goa, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

Memorandum of Understanding (MOU)

TripartiteAgreement

Between

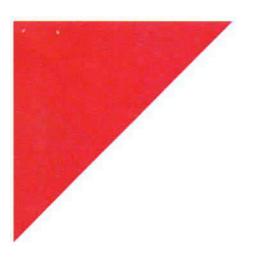

And

Institute of Shipbuilding Technology

Vasco.Goa

Memorandum of Understanding (MOU) Between Tripartite Agreement Between BNI Foundation India, BNI Goa,

And

Institute of Shipbuilding Technology Vasco.

This Memorandum of Understanding (MOU) is entered into among BNI Foundation India, hereinafter referred to as "the Organization," BNI Goa, hereinafter referred to as "BNI Goa," and Institute of Shipbuilding Technology, hereinafter referred to as "the College," collectively referred to as the "Parties."

Purpose:

The purpose of this MOU is to establish a collaborative partnership between the Organization, BNI Goa and the School/College to implement activities aimed at promoting career orientation, educational support, and community engagement for the benefit of students.

Scope of Collaboration:

2.1 The Organization, BNI Goa, and the School/College agree to collaborate on various activities throughout the academic year, including but not limited to:

Page 1 of 4

a.Career Talks: The Organization and BNI Goa will jointly conduct career orientation sessions at the School/College, where BNI Members who are professionals from different industries will share their educational and professional experiences with students.

b.Business Voices Initiative: The Organization, with the support of BNI Goa, will provide educational programs and volunteer time to prepare students for their future careers. c. Other mutually agreed-upon activities: The Parties may collaborate on additional initiatives and projects that align with their shared objectives.

Responsibilities of the Organization:

- 3.1 The Organization agrees to:
- a. Coordinate and conduct the career orientation sessions during the academic year.
- b.Provide BNI Members who are professionals from various industries, in collaboration with BNI Goa, to share their experiences with students.
- c. Assist in organizing and promoting other agreed-upon activities.
- d. Share resources and expertise to support educational programs and initiatives.

Responsibilities of BNI Goa:

- 4.1 BNI Goa agrees to:
- a.Provide local support and coordination between the Organization and the School/College.
- b. Facilitate the involvement of BNI Members in the career orientation sessions and other activities.
- c.Collaborate with the Organization and the School/College in planning and organizing events and initiatives.
- d. Promote the activities to BNI Members, students, parents, and relevant stakeholders in the local community.

Responsibilities of the School/College:

- 5.1 The School/College agrees to:
- a. Provide suitable venues for the career orientation sessions and other activities.
- b. Facilitate the participation of students and teachers in the career orientation sessions.
- c.Collaborate with the Organization and BNI Goa in planning and organizing events and initiatives.
- d. Promote the activities to students, parents, and relevant stakeholders.

Duration and Review:

- 6.1 This MOU shall be effective from 20-06-2023 and remain in effect for a period of one year.
- 6.2 At the end of the agreed-upon period, the Parties will review the collaboration and may decide to renew or amend the MOU based on their mutual interests and priorities.

Confidentiality:

7.1 The Parties agree to treat any confidential information shared during the collaboration with utmost confidentiality and to use it solely for the purposes outlined in this MOU.

Governing Law and Dispute Resolution:

- 8.1 This MOU shall be governed by and construed in accordance with the laws of Goa.
- 8.2 Any disputes arising out of or in connection with this MOU shall be resolved amicably through mutual discussions and negotiations between the Parties.

Termination:

- 1. Either Party may terminate this MOU by providing a written notice of termination to the other Party with a reasonable notice period.
- 2.In the event of termination, both Parties shall fulfill any outstanding obligations and commitments agreed upon prior to the termination date.

Entire Agreement:

10.1 This MOU constitutes the entire agreement between the Organization, BNI Goa and the School/College and supersedes any prior discussions, representations, or agreements, whether written or oral, relating to the subject matter herein.

Amendments:

11.1 Any amendments or modifications to this MOU shall be made in writing and require the mutual consent of both Parties.

Local Point of Contact in Goa:

12.1 For matters pertaining to the implementation of activities in Goa, Rajkumar Kamat, Executive Director of BNI Goa, shall serve as the local point of contact. His contact details are as follows:

Rajkumar Kamat

Executive

Director BNI Goa

First Floor, B.R. Commercial Centre, Opp. Parade Ground, Above Tata Motors, Campal, Panjim Goa- 403 001. India.

Signatures:

FACULTY PROFILE TEACHING AT DIPLOMA LEVEL

1	Name of the Teaching Staff	Mr. Gopal G. Midlagajni
2	Date of Birth	26-11-1963
3	Faculty Unique Id	1-475166271
4	Designation	Principal
5	Department	Mechanical Engineering
6	Date of Joining the Institution	19th July 1991
7	Qualifications with Class/Grade	BE(Mechanical)/First class M.Tech. (Heat Power Engineering) / First with Distinction
8	Total Experience in Years	Teaching:31yrs Industry:- Research: -
9	Papers Published	National:- International:-
10	Papers Presented in Conferences	National:- International:-
11	PhD Guide ? Give field &University	Field:- University:-
12	PhDs/Projects Guided	PhDs:- Projects at Masters level:-
13	Books Published/IPRs/Patents	-
14	Professional Memberships	_
15	Consultancy Activities	_
16	Awards	-
17	Grants fetched	_
18	Interaction with Professional Institutions	Regular Interaction with IEI(India), I.S.T.E,ISHRAE

1	Name of the Teaching Staff	Mr. Satish V. Paliencar
2	Date of Birth	23-10-1973
3	Faculty Unique Id	1-473185285
4	Designation	Head of Department
5	Department	Shipbuilding Engineering
6	Date of Joining the Institution	1 st Feb 2001
7	Qualifications with Class/Grade	BE(Mechanical)Goa University/ M.Tech.(Naval Architecture)IIT Kharagpur/
8	Total Experience in Years	Teaching:22yrs Industry:5.5yrs Research:-
9	Papers Published	National:1 International:1
10	Papers Presented in Conferences	National:- International:-
11	PhD Guide ? Give field &University	Field:- University:-
12	PhDs/Projects Guided	PhDs:- Projects at Masters level:-
13	Books Published/IPRs/Patents	-
14	Professional Memberships	-
15	Consultancy Activities	a) Consultancy services to Goa tourism Development Corporation towards vetting of Technical document
16	Awards	a)Skills Grant under(UKEIRI) by British Council of India
17	Grants fetched	a)Skills Grant of Rs.1.50lakhs under UKEIRI
18	Interaction with Professional Institutions	-

1	Name of the Teaching Staff	Mr.Ramnath D. Prabhu
2	Date of Birth	18-01-1974
3	Faculty Unique Id	1-475166279
4	Designation	Head of Department
5	Department	Mechanical Engineering
6	Date of Joining the Institution	15 th Sept 1997
7	Qualifications with Class/Grade	BE(Mechanical)/First class M.Tech(Production Management)/First class with Distinction
8	Total Experience in Years	Teaching:25yrs Industry:1yrs Research:-
9	Papers Published	National:- International:-
10	Papers Presented in Conferences	National:- International:-
11	PhD Guide ? Give field &University	Field:- University:-
12	PhDs/Projects Guided	PhDs:- Projects at Masters level:-
13	Books Published/IPRs/Patents	-
14	Professional Memberships	-
15	Consultancy Activities	a. Involved in conduct of material testing activity for the industries.b. Involved in conduct of short term courses for Industries.
16	Awards	_
17	Grants fetched	_
18	Interaction with Professional Institutions	Active interaction with all the major industries regarding the placement of V ME students for the purpose of Industrial Training.

1	Name of the Teaching Staff	Mr.Shantgonda B. Patil
2	Date of Birth	08-02-1974
3	Faculty Unique Id	1-473185269
4	Designation	Head of Department
5	Department	Electronics & Communication Engineering
6	Date of Joining the Institution	2 nd Feb 1998
7	Qualifications with Class/Grade	Diploma in Industrial Electronics/ First class with Distinction B.E. (Electronics & Communication Engineering) /First class with Distinction M.E.(Electronics & Communication Engineering)/First class with Distinction
8	Total Experience in Years	Teaching:25yrs Industry:3yrs Research:-
9	Papers Published	National:- International:-
10	Papers Presented in Conferences	National:- International:-
11	PhD Guide ? Give field &University	Field:- University:-
12	PhDs/Projects Guided	PhDs:- Projects at Masters level:-
13	Books Published/IPRs/Patents	-
14	Professional Memberships	-
15	Consultancy Activities	-
16	Awards	-
17	Grants fetched	-
18	Interaction with Professional Institutions	 Attended various training programmes organized by NITTTR, Goa Extn. Centre. Attended one day work shop organized by NPTEL at Don Bosco college of Engg., Margao.

1	Name of the Teaching Staff	Mr. Madhup Prakash Nigam
2	Date of Birth	15-12-1962
3	Faculty Unique Id	1-473185239
4	Designation	Lecturer in Mathematics(Sel Grade)
5	Department	Science & Humanities Section
6	Date of Joining the Institution	3 rd June 1991
7	Qualifications with Class/Grade	M.A.(Mathematics)
8	Total Experience in Years	Teaching:31yrs Industry:- Research: -
9	Papers Published	National:- International:-
10	Papers Presented in Conferences	National:- International:-
11	PhD Guide? Give field &University	Field:- University:-

Sub: Supply order for Online Gricvance Redressal Mechanism Software

Dear Sir.

This has reference to your quotation No. GOA/EGP/231/19/06/2018 dated 19.06.2018 towards supply of Online Grievance Redressal Mechanism Software. We are pleased to place an order for the following under the terms and conditions given below:

Sr. No.	Description	Rate (Rs.)	Amount (Rs.)
1.	Installation of Online Grievance Redressal Mechanism Software as per AICTE Norms	23,600.00	23,600.00
		Total Rs	23,600.00

(Rupees Twenty Three Thousand Six Hundred only)

Terms & Conditions of Supply:

- Licenses Agreement and additional accessories if any, should be provided during the installation of Online Grievance Redressal Mechanism Software.
- The suppler should provide the Institute all the updates of the software, technical support and training services.
- The supplier should also provide the renewal Licenses at the cost of Rs. 12,000.00 as mentioned in your quotation. The supplier should intimate the Institute about the renewal one month in advance.
- Above Software should be installed within fifteen days at the Institute premises between 09.00 a.m. to 05.00 p.m. on working days i.e. from Monday to Friday.
- The amount indicated in the supply order is inclusive of all the taxes applicable.
- Above Software should strictly confirm to the specifications quoted, otherwise the Software will be rejected.
- Above Software supplied will be finally accepted only after the inspection by a competent authority, appointed by the Principal and the decision of the Principal in this regard will be final.

Contd ... 2/-

 Payment will be released within fifteen days after Installation of Online Grievance Redressal Mechanism Software as per our specifications.

Please submit your bill in duplicate the original being pre-receipted for payment. The second copy of the order may be acknowledged and sent to us for record.

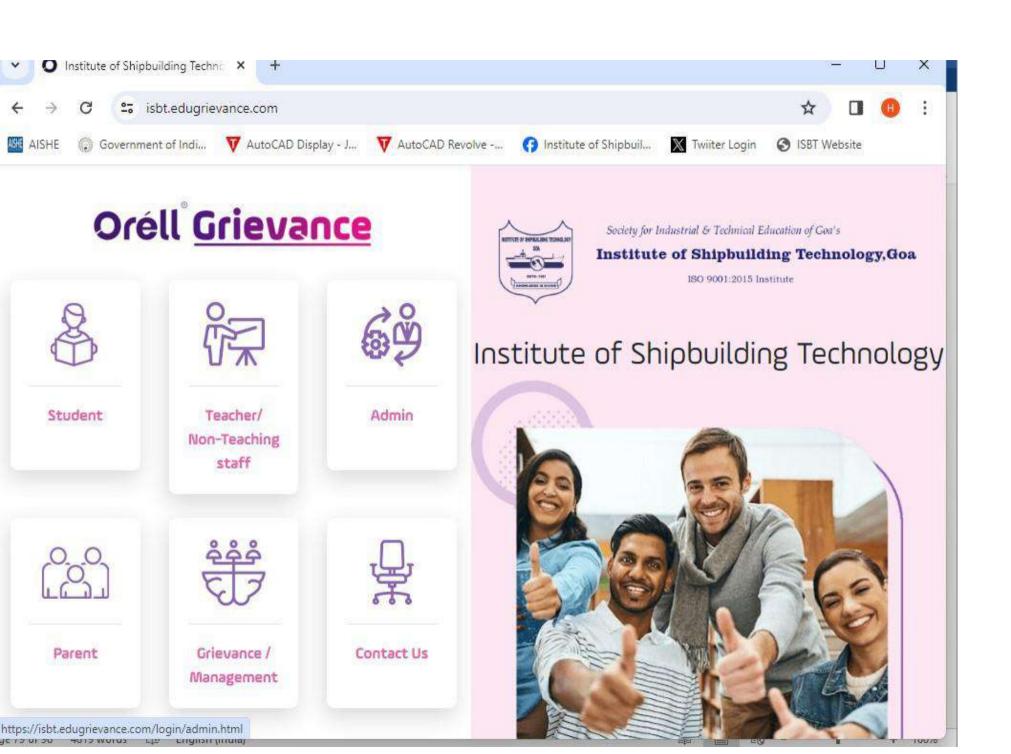

Thanking you,

Yours faithfully,

(Gopal G. Midlagajni) Principal
