SUBJECT: NATS SCHEME

National Apprenticeship Training Scheme (NATS) is one of the flagship programs of Government of India for skilling Indian youth. Under NATS, the apprentices are imparted training by the organizations at their place of work. Under this scheme the apprentices can get trained in designated trades or optional trades.

The scheme covers important sectors like Mobile Manufacturing, Automobiles and Auto Components, Electronic/Technology Products Robotics, cyber security, 3D printing and others.

During the period of apprenticeship, the apprentices are paid a monthly stipend amount, ranging from Rs.7000 to Rs.9000 per month. At the end of the training period, the apprentices are issued a certificate of proficiency which can be registered at all employment exchanges across India as valid experience.

All passed out students are eligible to enrol and take maximum benefit from the scheme. For immediate enrolment the students are required to visit www.internship.aicte-india.org. Kindly register under student.
